LET US DREAM

ANNUAL COMMUNITY CONFERENCE-2022

Let Us Dream conference was established to create better networking and collaboration among volunteers, potential volunteers, philanthropists, and community organizations thus empowering them in diverse community improvement programs.

The conference introduces different community service possibilities and intervention models among different generations to promote volunteerism.

The conference also provides opportunities for researchers and practitioners to share their knowledge and experience for the purpose of synergizing, community improvement efforts.

OBJECTIVES

To offer the participants an opportunity to bridge the knowledge gap through the interaction of researchers and practitioners worldwide.

To make recommendations towards achieving greater global peace and harmony worldwide.

To provide an opportunity to share, learn, and support more community intervention research, theories, and models.

To provide a forum for sharing experiences including the successes and challenges in community organizations and efforts.

To invite individuals with bigger hearts and deeper thoughts for their society to be a support system for the community empowerment initiatives.

MR. MAITREYA MAITREYAN

RTD. SOCIAL ACTIVIST

Mr. Maitreya Maitreyan, is a social activist whose approach to life's hurdles inspires us all. He is a retired reformer who goes about his life lending a hand to others, escalating delight, nurturing love, caring, educating, and healing with his beautiful clicks. He is renowned throughout the state for his skill to tackle every problem by making use of a fascinating perspective; 'Life is a precious one-time commitment which won't come again.' Regarded as the anarchist pioneer of feminism in Kerala in the 1980s, his approach and outlook towards daily life situations instill heterogeneity and enthusiasm. The breathtakingly beautiful letter he wrote to his 18-year-old daughter welcoming her to the world of adulthood was lauded as an example to follow.
