LIBRARIANS DAY

*"A library is infinity
under a roof"*

- Gail carson levine

*"The library is an arena of
possibility, opening both a
window into the soul and a door
onto the world"*

- Rita dove

Shiyali Ramamrita Ranganathan (S.R.R.) (9 August 1892 – 27 September 1972) was a librarian and mathematician from India. His most notable contributions to the field was the development of the first major faceted classification system, the colon classification. He is considered to be the father of library science, documentation, and information science in India and is widely known throughout the rest of the world for his fundamental thinking in the field. His birthday is observed every year as the National Librarian Day in India.
