REPORT

Department of Botany organized a Hands-on training in "Herbarium Techniques" for the students and support staff on 14th December 2022. The resource person was Dr. V. S. Anil Kumar, Associate Professor, Department of Botany, University College, Thiruvananthapuram. In the first session he gave lecture on the importance of herbarium specimen in research and teaching, the technique that are adopted while preparing the herbarium specimen, the chemicals used and the various herbaria around the world. In the second session the hands-on training was conducted where the students and the support staff were divided into groups and they were provided with the samples for preparing herbarium sheets.
