Feedback from Faculty.

Aleyamma Varghese I enjoyed the get together of 1999 batch. It was a rejuvenating experience for us. Aleyamma

Lissy Antony Capen Really very happy to see all my old students of 1999 batch Zoology. Proud to be a teacher always. Thank you all for your invitation. Enjoyed the happy moments with all of you. May God bless you and your dear ones.

1	Dr. Alsha Balar...	—	From really overwhelmed to see my students. Some how it has taken me into the past into all the good old days I had here. A.S.C. was a second home to me and your students my children. Words are not enough to express my love and thanks to you all for this get-together. Next time when we meet let it be the whole class —		Alsha Balar...
