As part of the World Environmental Day celebrations 2023, the Biodiversity Club and the Postgraduate and Research Departments of Environmental Sciences, All Saints' College conducted an Invited Lecture on the theme "Mission Life" by Dr. Biju Darmapalan, a national award-winning science communicator, columnist, and educator, who led the session. The session was coordinated by Dr Smitha Asok V (organising secretary) , Dr Ayona Jayadev , Dr Reshma J k and Smt. Rajani V (organising committee).The event took place on June 8, 2023, in the audio-visual hall of All Saints' College, Trivandrum. The Event began with a welcome speech delivered by Ms. Sowfiya M, student of I year M Sc Environmental Sciences.

The resource person briefed the students that the concept of LIFE i.e., life style for the environment, was introduced by our PM, Shri Narendra Modi ji, at the World Leader's Summit in Glasgow. Further, the theme of World Environmental Day 2023, i.e., # Beat Plastic Pollution was discussed in detail regarding Microplastics and their effects, responsible tourism etc. He also explained the concern of Indigenous people for the protection of the environment, to use them sustainably, and so on. Apart from the theme, he also questioned the mission of each individual who attended the session. And gave proper guidance on how to follow up.

On conclusion of the session, Ms. Gayathri Nair, II M Sc student proposed the vote of thanks. The session proved to be an enlightening one for the students as well as the teachers alike. The students got knowledge about strategies for nature conservation and their responsibilities for a better future.
