Activities of the Capacity Building Cell 2024-25

Hackathon for students

The cell organised a one-day workshop on Cybersecurity and Ethical Hacking on 24 July 2024. 60 students participated in the same.

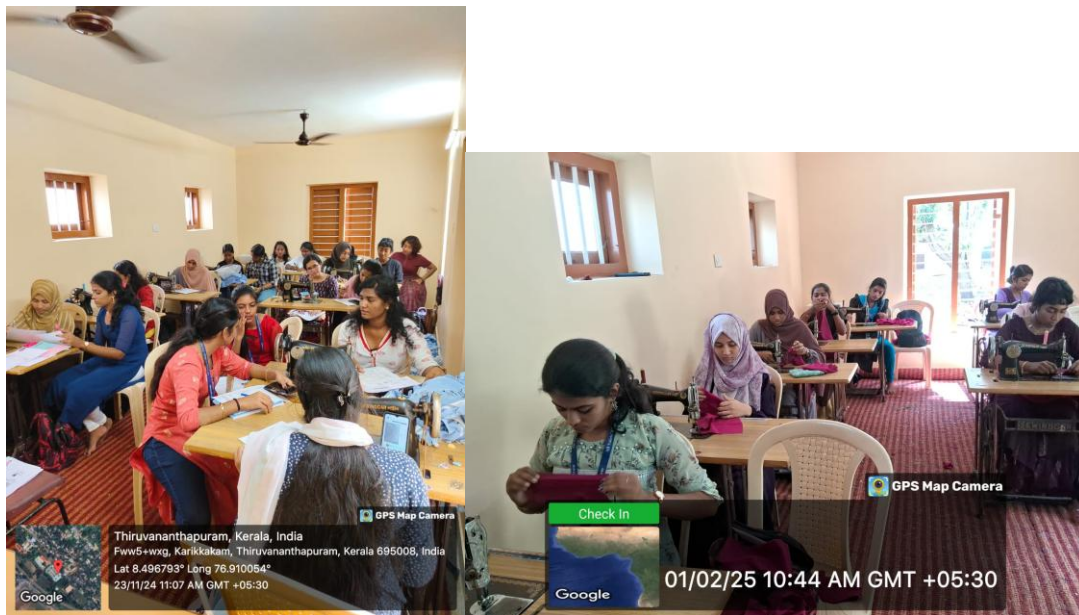

The cell conducted a 30- hour Certificate Course in Cybersecurity and Ethical Hacking. The course had a good response and resulted in significant skill enhancement for the students.

The cell organised a course in association with Skill India. The course, Assistant Dress Maker, imparts essential skills through qualified faculty and is certified by the Government of India. 20 students were part of the course. This is the second course that the Cell is coordinating. The first was Domestic Care attendant Course that our students passed with flying colours

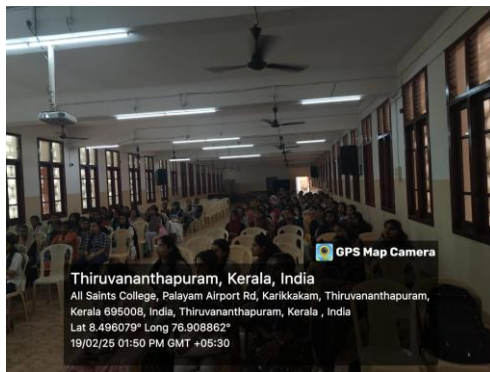

The Cell organised a talk on Celebrating Samvidhan Divas in association with the Indian Institute of Public Administration on 29 November 2024. Dr Suman Maurya, Director, Dr Ambedkar Studies Centre, University of Rajasthan spoke about Revisiting Ambedkar's social and Political Ideas as reflected in the Constitution

The Capacity Building Cell organised a talk on skills enhancement and skill building in association with IBM SkillsBuild on LinkedIn for Professional Development on 19 February 2024. The cell also ensured

onboarding of students on the Skills Build platform.

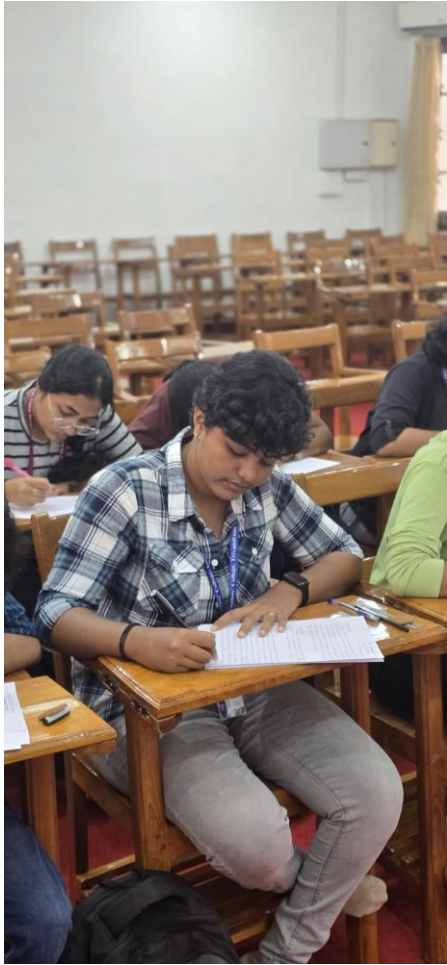

In the coming year, there will a more converted effort to extend capacity building to all the students through the services of Skills Ambassadors.

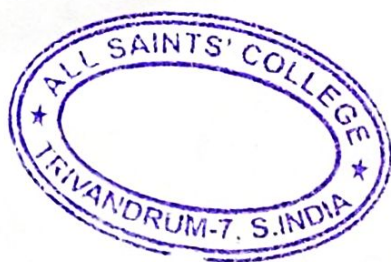

The cell also organised capacity building classes for the students on basic computer skills such as Word, Excel.

The Cell, in association with the department of English, has collaborated with Booksthakam, an international publishing company to hone the creative talents of the students and start a mentorship

programme which will culminate in a publishing deal. The initiative has seen its first intake.
