Mother's Message

As we embark on a new academic year, I am delighted to welcome you all to what promises to be a historic and transformative period for our college. Our college remains committed to fostering an environment where curiosity is encouraged, diversity is celebrated, and academic excellence is pursued. Whether you are returning to continue your educational journey or joining us for the first time, you are a vital part of our community, and we are dedicated to supporting your success.

This year, we celebrate the Diamond Jubilee, marking 60 years of excellence, dedication, innovation, and achievement, in education and community service. This milestone is a testament to the commitment and passion of every individual who has contributed to our journey. Over the decades, we have witnessed remarkable transformations and have continually adapted to meet the evolving needs of our community. Our success is built on the foundation of teamwork, resilience, and the unwavering pursuit of excellence. This year, as we honour our past with its rich history, we also look forward to an exciting future filled with new challenges and opportunities.

This academic year also brings a significant transition as we introduce a new four-year course structure for our students. This innovative program is designed to offer a comprehensive and enriching educational experience, preparing our students for the challenges and opportunities of the future.

As we embrace these changes, I am reminded of the inspiring words of Dr. Abdul Kalam: “You have to dream before your dreams can come true. Great dreams of great dreamers are always transcended.” Indeed, “we grow great by dreams. All big men are dreamers.” I encourage you to take full advantage of the resources available, engage with your peers and professors, and participate in the vibrant campus life we offer. Your contributions, ideas, and enthusiasm are what make our college a dynamic place to learn and grow.

I urge you to carry this spirit of aspiration and perseverance into all your endeavors, striving to achieve greatness as individuals and as a community. Let us continue to build on our rich legacy, inspired by the same spirit that has guided us for six decades. Believe in yourself and make this academic year memorable, filled with achievements and new experiences. Together, we will continue to build a thriving and inclusive community.

Thank you for being a part of our story. Together, we will create an even brighter future. I wish you all God’s blessings of joy, peace, and a successful and inspiring year ahead.

COLLEGE ANTHEM

Lead kindly light, amid the encircling gloom,
Lead Thou me on!
The night is dark and I am far from home,
Lead Thou me on!
Keep Thou my feet; I do not ask to see
The distant scene, one step enough for me.

I was not ever thus nor pray'd that Thou
Should lead me on.

I loved to choose and see my path, but now
Lead Thou me on!

I loved the garish day and spite of fears,
Pride ruled my will; remember not past years.

So long Thy power hath blest me, sure its till will lead me on
O'er and fen, O'er crag and torrent, till the night is gone;
And with the morn those angel faces smile
Which I have loved long since and lost a while.

Cardinal Newman
