Bridge Course and Entry Level Exam

NOTIFICATION DATE: 2/11/2021

This is to notify that the Department of Chemistry has decided to start Bridge Course for 1st year students in the 1st week of July. The following faculty member is hereby nominated as the in-charge of the Course for the session 2021-2022.

Dr. Srinivas

Aim & purpose/objective of the course – To prepare students before starting the University prescribed course Syllabus for B.Sc.

Note – The Department has prepared its own Bridge course syllabus & notes & decided to conduct classes of 1.5 hrs prescribed according to a time table.

Aim – The main objective of this course is to help students to learn and refresh the important multidisciplinary areas of inorganic, organic and physical chemistry.

Objective- Students upon completion of this course will gain fundamental knowledge in different areas of chemistry which in turn will be fruitful before beginning the BSc. Degree Programme.

Design- The course consists of 10 Hrs of interactive sessions with written question answer session. This will be evaluated by the Department of Chemistry and with respect to their performance advanced learners and slow learners will be screened for further teaching practices like peer group learning and remedial classes.

Duration- 6 Days in month of November

Time- 1.50 hrs.

Syllabus

Unit 1- Atomic Structure & Periodic Table: Atom Models, Structure of Atom, atomic numbers and fundamental particles, Bohr Theory, Quantum numbers, Aufbau principle, Hund's rule, Pauli's exclusion principle, Electronic configuration, Periodicity of elements and group properties.

Unit 2- Introduction to organic chemistry and organic nomenclature.

Unit 3- Acids, Bases, and pH- Properties of Solids, Liquids and Gases.

Unit 4- Environmental Chemistry – Greenhouse effect, acid rain, ozone layer depletion, air and soil pollution.

Report 2021-2022

The Bridge course was conducted for the first year chemistry students from 11-11-2021 to 18-11-2021. The main objective of bridge course was to provide basic concepts about the subject. The bridge course has produced awareness amongst students about teaching learning effectively. This course served as a platform for the students to interact with faculty members, providing the base for them to develop strong relationship with faculty, mentor and other students. All the newly admitted students of 1st year BSc Chemistry Degree Programme attended the bridge course. The faculty member Dr. Siji V.L has successfully completed and concluded the bridge course satisfactorily.

Report on Group Counselling held during 2021-22

In connection with 'Deeksharambh' a group counselling was given to the first-year students of all batches at All Saints' College auditorium from 9.30 am to 12.30 pm on 2-11-2021. The session started with an analysis of various factors that can act as stress catalyzers especially during this period of the pandemic. It was a highly interactive session and the impact of stress among students and the necessity of managing it for proper mental well-being were underscored.

The talk highlighted the symptoms and signs of stress and also about various levels of stress. The various types of stress mentioned include Time Stress, Anticipatory stress, Situational Stress and Encounter stress. The session also helped students understand different strategies that can help them establish boundaries between various areas of their life, in order to give each one the attention it needs. It underscored the need to adapt to new concerns and demands.

The various ways to manage stress were also discussed in the talk. Some of the suggestions to manage stress were- Confront the stressor, Time Management, Being organized, Exercise and Spending time with loved ones.

In the Q&A session that followed, students raised their queries related to the topic. The talk gave the students an opportunity to learn the techniques to manage stress in their lives.
