Student Satisfaction Survey

For the academic year 2021-22, All Saints' College conducted a Student Satisfaction Survey on curricular and administrative aspects of the institution. The survey was conducted on the various curricular aspects which includes quality of teachers, support given by the institution and other aspects of teaching learning process. The survey questionnaire consisted of 17 questions and they were rated using a five-point scale. Respondents were highly appreciative of the various aspects of the college. A summary of the evaluation that consists of scores for each item, overall Teacher Performance Index and the comments of the students were analysed and corrective measures were suggested. The overall process was monitored by the IQAC team of our college. Student Satisfaction Survey regarding teaching – learning and evaluation helped to understand the students' perception of quality of education in the institution. The statistical analysis report of the survey is provided herewith.
