About GAD-TLC of MHRD

“Guru Angad Dev Teaching Learning Centre” is a centre of MHRD under the Pandit Madan Mohan Malviya National Mission on Teachers and Training (PMMMNTT) of the MHRD, Govt. of India. The objectives of the Teaching Learning Centre are to prepare Modern age teachers. Under this centre many National level activities like Seminars, FDPs and workshops at both basic and advanced level are being conducted to empower the teachers in ICT skills, develop teaching kits / teacher's tools and ICT empowered pedagogies to enhance teaching-learning process. In its various programmes, around 15000 teachers across the nation have benefitted till now. GAD TLC is also organizing Student Specific Training Courses to upgrade their skills as required for their Professional Development.

About All Saints' College, Thiruvananthapuram

All Saints' College affiliated to University of Kerala, is one of the premier institutions of higher education in Kerala that offers quality education to women. The college was founded in 1964 by Rev. Mother Mary Louise, CCR. The All Saints' family is committed towards the upliftment of the coastal community and general social welfare. We strive to carry this vision forward and hope to scale greater heights in our quest for excellence. The college offers 11 Under graduate courses and 4 Post graduate courses. The faculties are actively involved in various research activities and have expertise in handling Major/Minor Research Projects. The college was awarded with an A grade by NAAC in the third cycle of accreditation and is also granted RUSA funding last year. The Department of Physics is one among the 14 academic departments of All Saints' college, Thiruvananthapuram and was upgraded to degree level in 1995 and to PG level in 2020. Right from its inception, the department has been a great boon to the students, who are mostly first generation learners from the local fishing community. The department has an excellent collection of books and journals which are custom made to suit their requirements. Seminars, assignments projects and field visits to research centres help to simulate genuine interest in science and infuse the creativity and scientific temper amongst the students.
