

National Coordinator, CONTECH 22-23 (1st & 2nd Phase)

To,
The Principal

Subject **Letter of Appreciation for supporting smooth conduct of ACT-Concept Test in Chemistry (CONTECH 2022-23, 1st & 2nd Phase)**

Dear Sir/Madam,

Let me begin this letter by saying how touched I am by the immense support and generosity I have received over the last few days during my exam preparation as well as the conduct of a national level examination CONTECH 2022-23. I, wholeheartedly acknowledge that the responsibilities assigned to me by the Association of Chemistry Teachers, C/o Homi Bhabha Center for Science Education (HBCSE), Mumbai are well performed because of the support and co operation of you and each and every member of CONTECH team. Whatever we have been able to achieve through CONTECH 2022-23 was because of the dedication, hard work and professional accomplishment on the part of ACT officials, ACT-President, ACT-General Secretary, Zonal Coordinators, Steering committee members, Question setters, Moderators, each and every Coordinator, Chemistry teachers, Principal of the Colleges and the Supporting staff of organizing Colleges. I extend my sincere thanks to you for your contribution.

CONTECH, a competitive test in Chemistry at National Level for Under Graduate (UG) Students is a big boost for the students to improve in the subject and to assess their conceptual understanding in chemistry. Given the spirit of teamwork and sense of belonging that we share as one family, however, I see no reason why we cannot overcome the challenges ahead for us.

Your continual encouragement, cooperation and support for catalyzing students in term of participation and organizing CONTECH 2022-23 at your centre deserve appreciation. I am sure

of your affirmative response for popularization of chemistry in future, too.

With regards,

(Dr S P Singh)

**National Coordinator
ACT-CONTECH 2022-23**
