## REPORT ON YOUNG INNOVATORS' PROGRAMME - 2023

**Date: June 9, 2023**

Young Innovators Programme is a specially designed programme under Kerala Development and Innovation Strategic Council (K-DISC). The programme aims to empower future innovators to innovate new products, services or models to meet emerging requirements, unarticulated needs, or existing market needs of the society more effectively through an innovative challenge.

### **YIP Orientation Programme**

**9<sup>th</sup> June 2023**

The offline orientation programme for the Young Innovators Programme took place on June 9<sup>th</sup>, 2023 from 1:30 p.m. to 3:30 p.m. The programme was held following an online meeting that occurred in April, where students were introduced to the concept of the programme.

### **Attendance & Speaker**

The second and fourth semester students participated in the orientation programme. Rahul K.L., YIP Trivandrum District Coordinator, was the speaker for the event. He provided insights into how the Kerala Government supports innovative ideas from students and outlined the registration process on the YIP portal.

### **Group Formation**

Following the orientation programme, students formed groups of 2 to 5 members to participate in the Young Innovators Programme. These groups aimed to collaborate and brainstorm innovative ideas to address emerging or unmet needs in society.

### **Pre-Registration**

The participating groups engaged in pre-registration activities on the YIP portal. This step involved providing basic details about the team members and their intent to submit an idea.

### **Idea Submission Status**

Out of the formed groups, one group has made significant progress in their idea submission process and is currently in the final stage of submission. The details of their idea, along with the necessary documentation, are being prepared for the final submission on the YIP portal.
