

SOFT SKILLS

The Department of English, in association with the Naandi Foundation's Mahindra Pride Classroom, introduced Certificate Courses in Employability Skills. The 36-hour course was designed to equip the students with the requisite skills to handle interviews and to help them showcase their know-how in the best possible light. All the students in the final year of their course enrolled in the certificate course. This means that nearly 500 students participated in this course which focused on honing communication skills, interpersonal skills, group discussion skills, interview-response and presentation skills. A group of trained professionals from the Naandi Foundation conducted these classes over a period of six days and the sessions culminated in a group discussion and interview form of assessment. The students were divided into two batches and classes were held from 25 to 30 August, 2022 and from 20 to 28 October, 2022.

REPORT ON THE USER ORIENTATION PROGRAM ON J-GATE

ORGANIZED BY THE COLLEGE LIBRARY

On 31st January 2023

On 31st January 2023, the college library successfully organized a user orientation program on J-Gate Anjitha, a Research scholar, at the Department of Environmental Sciences, delivered the introductory speech. Sr. Nancy Waral L the college librarian gave the welcome address and welcomed the Guest by offering the memento.

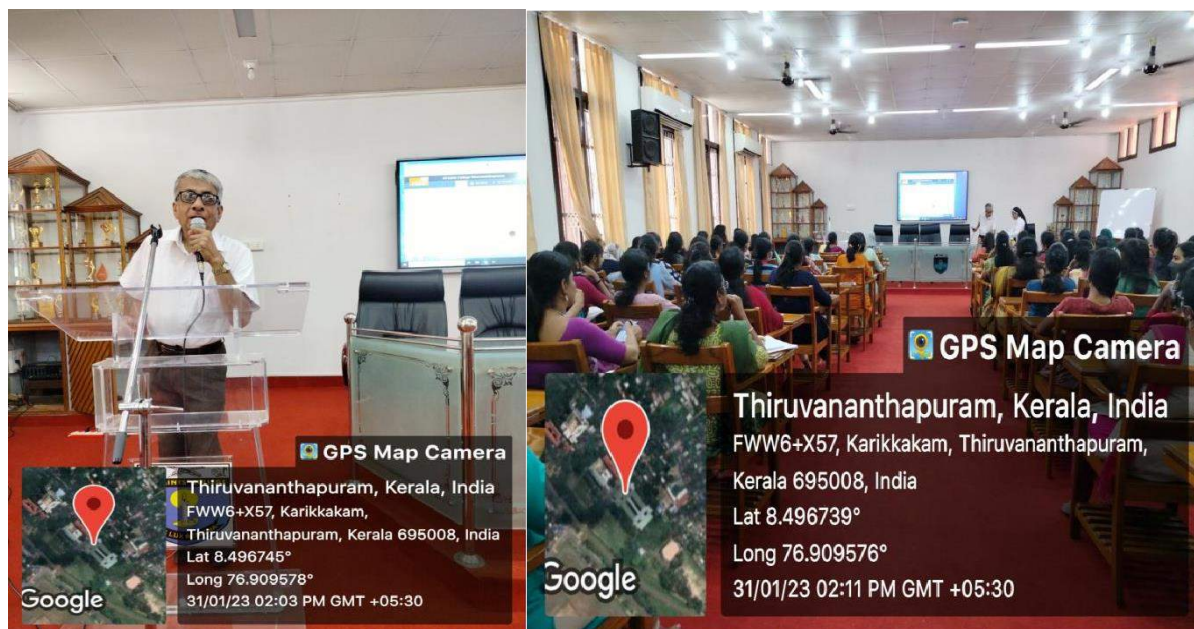

The technical Session was handled by Mr. Ravi Shankar, Training Manager, Informatics Publishing Ltd. The purpose of the program was to make students and faculties J-Gate literate. He discussed J-Gate as an electronic gateway to global e-journal literature. Launched in 2001 by Informatics India Limited, he mentioned J-Gate provides seamless access to millions of journal articles available online offered by 14,265 Publishers and presently has a massive database of journal literature, indexed from 65,033 e-journals with links to full text at publisher sites.

Following the Inaugural Session, Dr. Suresh Francis (Scientist, Keral State Remote Sensing and Environment Centre) led a Technical Session on the Topic: Applications of GIS and Remote Sensing in Natural Resources Management. He also explained about the various fields of applications and research work that is being taken up both in the governmental and private sectors. Apart from the theme, he also updated on the future scope as well.

The Second Technical Session was on the Topic: Applications of GIS and Remote Sensing in Disaster Management by Dr. Sajin Kumar (K S (Assistant Professor, Department of Geology, University of Kerala). He detailed on the various disasters faced by our State and mainly focused on Floods and Landslides and the modes of applications of GIS and RS in the various stages of management of these disasters viz. mitigation, preparedness and zoning

The Third Session was on the Topic: Applications of GIS and Remote Sensing in Water Resources Development and was led by Mr. Ajay Kumar, research Scholar, Department of Geology, University of Kerala. This session also proved to be of an enlightening one for the students.

Further to this, a Rapporteurs session followed which was conducted by the students where they discussed and shared their thoughts individually on the deliberations that were part of the Day and concluded with a Session Round Up. There was a Valedictory session as well and all the session proved to be an enlightening one for the students as well as the teachers alike.
