EMPOWERING CITIZENSHIP

HIS.C.23.1

EMPOWERING CITIZENSHIP:
Bridging tradional knowledge & legal rights

The Department of History and Political Science of All Saints' College conducted a certificate program on 'Empowering Citizenship: Bridging tradional knowledge and legal rights'. The course was conducted in association with Manoj and Chitra International Legal Service Providers. The 30-hour certificate course was conducted online from 11th April 2024 to 10th May 2024. Classes were held for two hours a day as per the schedule. The course coordinator was Dr. Parvathy Menon. There were only limited seats and the students from the History departments of the college participated in this course. The course was organised mainly to provide the students a deeper understanding about the traditional practices and the legal frameworks that protect them. In such a way, students can achieve self-determination, preserve their identities, and contribute to a more just and inclusive society.

Empowering citizenship involves equipping individuals and communities with the knowledge and skills necessary to participate meaningfully in societal, economic, and political processes. It fosters active engagement, strengthens democratic practices, and ensures accountability and inclusivity in governance. When combined with efforts to preserve traditional knowledge and enhance awareness of legal rights, it creates a holistic framework for community development and cultural sustainability.

Group discussions and debates were conducted and students received a vast outlook about their rights and their overall development as a responsible citizen. Certificates were provided after the culmination of the course
