- To determine which students are advanced and which are slow learners, diagnostic tests are administered. An evaluation is done to gauge their progress. To meet the needs of the students, planned mentorship sessions are offered.

#### REPORT

To: The Principal, All Saints College

From: Counseling & Psychotherapy Cell  
Prepared by: Mrs. Rani Abu Umamah

Report On: Identifying the Advanced Learners & Slow Learners

Administered to: Freshers of Academic Year 2023-2024

Total No. of students attended: 198

Students from 14 sections attended (B.Com. T.M., B.Com. Fin., B.A. Eng., B.Sc. Maths., B.Sc. Zoology, B.A. Eng., B.A. Comm. Eng., B.Sc. Chem., B.Sc. Bot., B.Sc. Phys. & B.A. History)

Identified slow learners: 288 (Poor Learners & Average Learners)

Identified Advanced Learners: 85 (Above Average & Innovative Learners)

Assessment tool used: Wechsler Adult Intelligence Scale (WAIS - IV)

Assessed on: 10 questions with 1 mark each based on Verbal Intelligence, Numerical Intelligence, Logical Intelligence and Spatial Intelligence

Controller's Remark: Since every student is unique with their varied intelligences, those who are strong in verbal can be weak in numerical and vice versa (WISC-II Revised Classification Multiple Intelligence Theory).

No. 1 had categorized them to Poor learner (0 - 3), Average Learner (4 - 5), Above Average Learner (6) and Innovative Learner (7-10).

To my opinion, those students who have scored less need to be supported to fulfill their chosen stream requirements.

*Rani Abu Umamah*
