ACKNOWLEDGEMENT

Writing this industrial visit report marks one of the greatest achievements in this phase of my life. My heart felt thanks to all who provided me with boundless support making it a valuable & fruitful experience. I am indebted to those who guided me along the way.

Special thanks to our Head of the Department Dr. Suresh Kumar and our teacher in charge Dr. Saji VL and Dr. Chintha Sukumar for their unwavering support, guidance and interest during the entire field visit.

I am grateful to the authorities at Marara Food plants for providing us with the opportunity to learn along with their valuable guidance, integrated support and precious collection which helped me conceptualise the process and unforgettable experience, shaping my future endeavours. Lastly, I extend my gratitude to my parents, friends and benefactors who have supported me directly and indirectly throughout my industrial visit.

Thankyou,
Hema S.J
