IPR WORKSHOP REPORT MARCH 2024

The Department of History and Political Science in association with the office of the Controller General of Patents Designs and Trademarks Government of India, organised an online workshop on the topic "Understanding the Significance of Intellectual Property Rights". The focus of the webinar was to promote the creation, protection & enforcement of the Intellectual Property Rights. This online workshop was conducted on 12th March 2024. The resource person was Dr. Babita Pais Tharappan, IP consultant, Registered patent, designs and trademarks agent and IP facilitator for start-ups. There was participation from both the students and faculty of All Saints' College. The workshop was very productive, with the resource person giving a very deep insight into Intellectual Property Rights. Dr Babitha spoke on the basic concepts of Intellectual Property Rights and stated that networking is very much necessary in order to facilitate the process of promoting Intellectual Property. She highlighted the importance of promoting intellectual property licensing practices, particularly, with a view to foster creativity, innovation and the transfer and dissemination of technology to developing countries and least developed countries. The workshop was coordinated by Dr. Parvathy Menon, Faculty, Department of History and Political Science. There was a question answer session at the end of the talk which was very beneficial for both the students and the faculty.
