WORLD ENVIRONMENT DAY CELEBRATION 2023

Department of Botany and Department of Malayalam in association with All India Peace and Solidarity Organization (AIPSO), Thiruvananthapuram District Council celebrated World environment day for the year 2023 on June 6th 2023.

Two Programmes were organized:

1. One day Seminar on 'Global Warming: The Social Consequences'
2. 'Planting Tree Saplings'

Beneficiaries:

- Students and staff of All Saints' College.

The preparation for the smooth conduct of the seminar was started many days back. The Brochure for the programme was designed, dignitaries were invited by the organizing committee members.

Seminar on 'Global Warming: The Social Consequences'

After invoking God's blessings by a Silent prayer, **Dr. C. Udayakala, Head of the Department of Malayalam** welcomed the gathering. The Seminar was officially inaugurated by **Shri Panyan Raveendran, Former Member of Parliament**. Dr. C. P. Narayanan Former Lok Sabha Member delivered the Keynote speech on 'Global Warming: The Social Consequences'. In the Keynote speech he explained vividly the causes and effects of global warming, the anthropogenic threats, threats that students knowingly or unknowingly make in the day to day life, the role as a student to prevent the consequences, precautions to be taken etc. The speech enlightened the gathering and it was much informative also very relevant as the students are now facing direct and indirect effects of global warming.

Following the keynote address Adv. M.A. Francis, AIPSO, District Coordinator felicitated the gathering by appreciating the events conducted by the college for the conservation of biodiversity and the initiatives taken in association with AIPSO for conducting various awareness programmes over the years. Dr. Cinthya Christopher, Head of the department of Botany also felicitated the gathering by conveying the message of conservation and by pointing some of the initiatives that can be taken by the students in reducing global warming. She encouraged the students to become 'Environment Stewards' and to act for the conservation of nature and to make it a better place to live in.
