**Placement Officers Meeting @ Allianz, Technopark**

A Placement Officers Meeting was held at Allianz's office in Technopark on June 22, 2023, to strengthen collaborations between Allianz and academic institutions for student placements and internships. The event brought together placement officers from various colleges and universities, along with key representatives from Allianz's Human Resources and Talent Acquisition teams. The objective of the meeting was to discuss opportunities for skill development, enhance recruitment pipelines, and foster stronger partnerships for the placement of students in Allianz's growing business operations. Dr. Raj Sree M. S., Associate Professor of English, All Saints' College and Dr. Shalini Harilal, Assistant Professor of English, All Saints' College attended and took efforts to create a streamlined process for student placements, with a focus on both entry-level roles and internship opportunities.

## Campus to Corporate

### Report

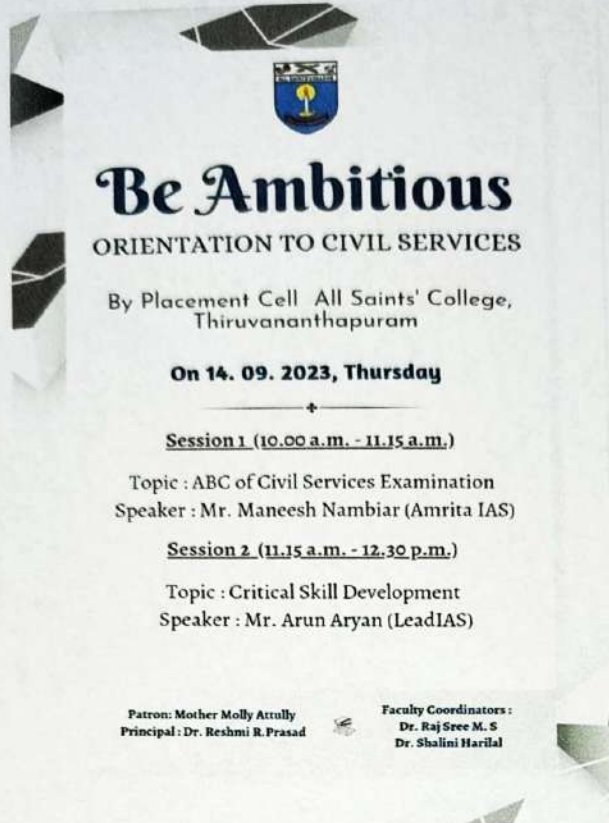

Allianz India hosted its annual "Campus to Corporate" program on June 22, 2023, at its Technopark office in Trivandrum. This program is designed to bridge the gap between academia and the corporate world, helping students transition from their academic environment to professional life. The event was specifically tailored for final-year students from leading universities and engineering colleges across Kerala.

The "Campus to Corporate" program provided 20 students of All Saints' College with insights into the corporate culture, introduce them to key industry practices, and prepare them for the workforce with skills that are crucial for a successful career in the financial services sector.

# LETTER OF APPRECIATION

To, THE PLACEMENT OFFICER,  
ALL SAINT'S COLLEGE, TRIVANDRUM

Respected Sir/Ma'am,

We extend our heartfelt gratitude to you and your esteemed colleagues for your untiring contribution to the field of education and nation-building. We feel immense pleasure in welcoming the students of your eminent institution to the current academic session of the university.

In order to express our sincere appreciation and acknowledgment of your tireless efforts and contribution to the development of Chandigarh University we are presenting you with a certificate of appreciation. This token of gratitude expresses our heartiest thankfulness to you and your entire team. We are certain that you will continue to put your faith in us and lend us your perpetual support.

Your notable contributions to the field of education have already become a benchmark for many to look up to. We sincerely thank you and your team for instilling great ethical values, academic competence, and stellar confidence in the batch of students who left the gates of your institute to join us. We would like to assure you that Chandigarh University will leave no stone unturned to provide the necessary resources, technical training, and research opportunities to your esteemed faculty members. Once again, we feel obliged for your outstanding efforts and invaluable contribution.

We look forward to strengthening our association to together lay a strong foundation for a brighter future for India.

Warm Regards

**Prof. (Dr.) Arun Patil**  
Vice Chancellor,  
Chandigarh University

## Report

On December 01, 2023, Lifology, Technopark gave a workshop on AI-Powered Career Coach Program, an innovative initiative designed to offer personalized career guidance to students and early-career professionals. The program harnesses the power of artificial intelligence (AI) to provide tailored career advice, skills assessments, job recommendations, and interview preparation resources. This program is aimed at helping individuals make informed decisions about their careers, match their skills to suitable job roles, and prepare for professional opportunities in the rapidly evolving job market. The AI-powered system is designed to assist users in understanding their strengths, identifying growth areas, and exploring potential career paths based on their unique profiles.

## Report

The ICT Academy Kerala has been a key player in enhancing the employability of students and professionals in the state by offering high-quality training and certification programs in the field of ICT. Orientation on courses that are designed to equip individuals with the technical skills required to meet the demands of today's rapidly evolving digital economy was given. As part of its ongoing efforts to bridge the skill gap and improve the workforce readiness of youth in Kerala, ICT Academy has introduced a variety of specialized courses and training programs open to college students.

## Report

The poster for the Edroots International Information Desk features the All Saints' College logo at the top left, followed by the text 'Career Guidance in association with EDROOTS'. Below this are flags of various countries. The central text reads 'INFORMATION DESK ON STUDY ABROAD & CAREER OPPORTUNITIES' with the date and time '22<sup>ND</sup> DEC 2023, 10 AM - 3 PM'. A woman in a graduation cap is shown on the right. At the bottom, there are icons for 'Why Study Abroad?', 'Free Structure', 'Top Universities & Courses', 'Post Study Work Opportunities', 'Scholarship Options', and 'May Bank Options'. A phone number '0471 2710 333' is listed on the left. On the right, a list of countries is provided: 'Representatives: Canada, Katar, Taiwan, Thailand, United States, Malaysia, Singapore, Cambodia, London, Dubai'.

On 22<sup>nd</sup> December, 2023, In collaboration with the college placement cell, Edroots International, an Educational Consultant company based in Thiruvananthapuram, set up an Information Desk on college campus to provide information about education and career opportunities abroad. The Information Desk, managed by Edroots personnel, gave the students an opportunity to understand options in higher education abroad and the legitimate ways to obtain admission to HEIs of their choice.

### Report

Bodi School organized an informative and engaging Orientation Program on Career in Teaching aimed at guiding individuals interested in pursuing a career in early childhood education. The program focused on providing participants with insights into the rewarding career of teaching young children. With a strong emphasis on the skills, attributes, and knowledge required to succeed in early childhood education, the event featured experienced educators, child development experts, and senior faculty members from Bodi School. The objective was to provide students with a clear understanding of the roles, responsibilities, and scope of teaching young children in preschool and early elementary settings.
