WORLD ENVIRONMENT DAY CELEBRATIONS 2023

Department of Botany and Department of Malayalam in association with All India Peace and Solidarity Organization (AIPSO), Thiruvananthapuram District Council celebrated World environment day for the year 2023 on June 6th 2023. Two Programmes were organized - One day Seminar on 'Global Warming: The Social Consequences' and 'Planting Tree Saplings'. The Seminar was officially inaugurated by **Shri Panyan Raveendran, Former Member of Parliament**. Dr. C. P. Narayanan Former Lok Sabha Member delivered the Keynote speech on 'Global Warming: The Social Consequences'. Adv. M.A. Francis, AIPSO, District Coordinator felicitated the gathering by appreciating the events conducted by the college for the conservation of biodiversity and the initiatives taken in association with AIPSO for conducting various awareness programmes over the years. Fruit Tree saplings sponsored by All India Peace and Solidarity Organization (AIPSO), Thiruvananthapuram District Council were planted in the college campus. Tree saplings were planted in the campus by Shri Panyan Raveendran, Former Member of Parliament, the College Union Members and students of various departments.

1. Orientation class on Bird watching

Date :- 20th August, 2023

Venue :- Museum Auditorium, Trivandrum

Time :- 9.30 am

The Nature Club arranged an orientation class on bird watching to promote awareness and appreciation of avian biodiversity. The event aimed to educate participants on bird identification, observation techniques, and the importance of birds in the ecosystem.

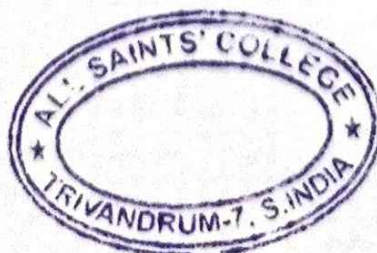

Objectives of the session :-

- 1.To introduce participants to bird watching as a recreational and educational activity.
- 2.To teach basic bird identification skills and observation techniques.
- 3.To highlight the ecological significance of birds and the need for their conservation.

The session opened with an introduction regarding the brief history of bird watching and its significance. Participants were also made aware of the E-bird application and the common birds seen in our locality.

Outcomes :-

- 1.**Increased Enthusiasm for Bird Watching:** Many participants expressed a newfound passion for bird watching, with several indicating plans to continue the activity regularly and even join bird watching groups.

Reshmi
PRINCIPAL
All Saint's College
Thiruvananthapuram

2. **Improved Identification Skills:** Participants acquired essential skills for identifying bird species, understanding their behaviours, and using bird watching tools like binoculars and field guides effectively.

3. **Strengthened Community Bonds:** The event fostered a sense of community among participants, who shared their experiences and knowledge, creating a supportive network for budding bird watchers.

8. Tide Turners Plastic Challenge (TTPC)

Campaign

Date :- 19th February, 2024

Venue:- All Saints' College, Trivandrum

Time :- 10.30 am

The Tide Turners Plastic Challenge (TTPC) is the world's largest youth-led movement, committing to take action to reduce plastic waste, in their lives and communities at large. UNEP in partnership with CEE (Centre for Environment Education India) and WWF- India has adapted and rolled out the challenge in India since 2019.

The Challenge has been designed to inspire young individuals to reflect upon their plastic consumption, discover solutions to reduce this consumption and lead change in their homes, communities, institutions and workplaces. So far, over 5 lakh youth across India have been engaged in this initiative.

The campaign comprises three phases.

First- Educate: in which pupil will learn through quizzes and discussions about the facts related to the topic. The quizzes shall be online and pupil can attend the quiz via the link provided for them.

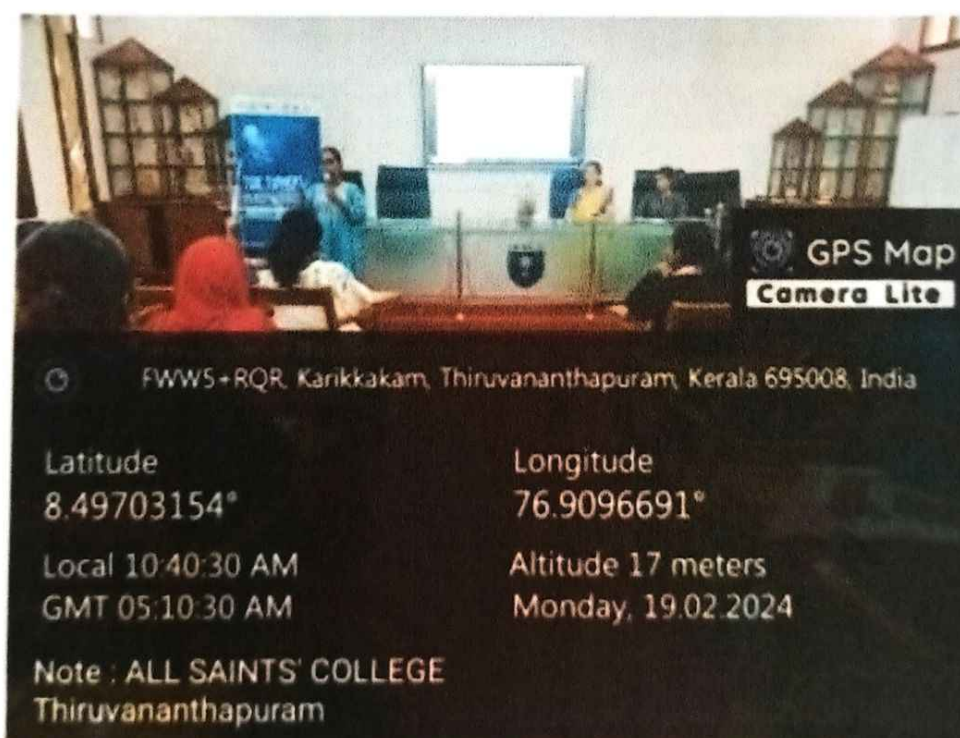

Second- Lead: here pupil will be having interaction with the public in order to spread the information the knowledge they gained. The activities on this respect must be documented, such as Photographs of peer discussion, screenshots of social media post etc.

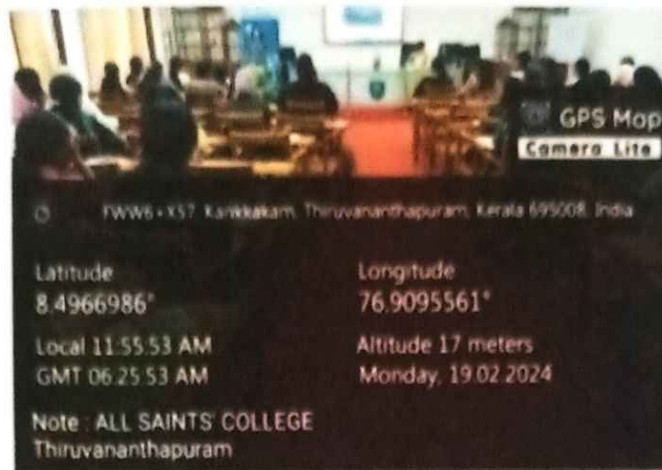

Reshmi
PRINCIPAL
All Saint's College
Thiruvananthapuram

Third- Leverage: Pupil will be taking all their knowledge and interpersonal skills to the praxis level in this phase. They are expected to move action oriented toward the aim of the campaign. They can do cleaning drives collectively, give awareness classes in the residential associations, conduct rallies, extend their help to the people working on the cleaning sector etc are examples.

A session was held by a resource persons from WWF providing link for enrolling and attending quiz(first phase) explaining all there phases, how to complete all of them, nature of the campaign, its importance and significance to the students and doubts from the students sides will be clarified. The participants could also contact the resource persons at any point where they face any confusions or clarifications.

A TALK TO CELEBRATE THE WORLD ENVIRONMENT DAY

Kerala Academy of Sciences jointly organized a talk to celebrate the World Environment Day on 7th June, 2023 based on the theme Beat Plastic Pollution. Dr. Siny G Benjamin (Coordinator, Nature Club) welcomed the gathering. The inaugural address by Dr. Sr. D'Souza Pascoela Adelrich (Vice Principal, All Saints' College) was followed by the Presidential Address by Dr. G.M Nair (President, KAS). Dr. Oommen V Oommen (Former President KAS and Former Chairman KSBB, Tvm) also addressed the gathering and urged students to make sustainable living a lifestyle in order to save Planet Earth before it's too late for humankind. Smt. Divya Grace Dilip offered felicitations and this was followed by the theme presentations by Prof. (Dr.) Gnana Thanga V (Dept. of Env. Sciences, University of Kerala, Kariyavattom) and Dr. Rajeev Sukumaran (CSIR-NIIST, Tvm). The session concluded with the vote of thanks by Dr. Ajitkumar K.G (Former Gen. Sec. KAS). 94 participants attended the session from 10.30 am to 12.30pm.
