About::

Woman – Feminist - Daughter – Wife – Mother – Sister – Grandmother – Friend – Lover – Citizen

A Woman whose ability to question was catalysed well after marriage and motherhood.

A Woman whose inner awakening as a person evolved through a process of Education to Reality – deeply influenced by Liberation Theology – Marxist analysis – Ambedkar, Freire, Lao Tsu, Tagore, Gandhi, Khalil Gibran and Angela Davis – and personal praxis.

A Woman who believes the Personal is Political and has tried to integrate the political into the personal. A woman who derives her value system from the Indian Constitution. A woman who enjoys the challenge of straddling, reconciling, transforming and recreating the many identities, roles and worlds she has inhabited through her 80 years !
